

My visit of Balgonie Castle

The name of this haunted castle is Balgonie Castle which is located on the south bank of the River Leven, near Milton of Balgonie.

I arrived at this fourteenth-century building: the surrounding landscape looked hostile and desolate. The sky was dark except for the full moon.

The fortress looked like an old, hostile and derelict castle; that's why I felt uncomfortable. Yet, I visited the fortress.

In the dungeons, I saw a shadow which looked like an old woman. I thought it was Green Jeannie.

The mysterious ghost moved towards me. I was scared: this shadow was so ugly and horrible !

But... It looked like Eléa !!!

Then, I woke up.

I fell asleep during English class!

I looked around me: Eléa wasn't there.

I didn't see Eléa up to this day. Is it a coincidence ? I don't think so !
